## SENIOR CLASS HISTORY

What could be a finer compliment to give to a senior class than to say that it has lived up to its motto throughout the high school career.

When we entered high school as Green Freshies our number counted forty-six, Silly Sophs forty, Jolly Juniors thirty-eight, and last Dignified Seniors thirty-seven.

Four delightful years have elapsed since the beginning of our journey together. A new milestone of life looms before us. We will leave this spring to enter the broader fields of life and usefulness. Although we do not like to leave, our vision is clear. We feel that we are prepared to go out into the world, either to continue our education or to join in the daily work of the world. Are we downhearted? No, our hopes are high and our ambition worthy. We can no longer depend upon some loving hand to support us in trial; we must trust ourselves. Waterloo High School has furnished the background for the events which will come throughout the remainder of our lives. We trust that every fair promise of today may be fulfilled and that we shall make a success of our life work.

We have had our share of work and fun and we hope we are leaving loving thoughts in the minds of the underclassmen.

Olevia Metzger, '35.

## SENIOR CLASS PROPHECY

Here it is! What I have been wishing for! The latest edition of The Waterloo Press on Friday, November 10, 1950. And are there ever some interesting news items in it!

Here's one, "Many Honor Pastor, Wife." A farewell reception was held for Reverend and Mrs. C. L. Steffen by the congregation of the Church of Christ. Reverend Steffen gave a closing sermon. By the way, Mrs. Steffen is the former Miss Susanna Irene Friend of near Corunna.

"Discussion Head Named." Miss Pauline Wing was appointed County High School Contest Chairman. Waterloo High School holds the preliminary meet. Miss Wing is Public Speaking Director of Waterloo.

Here is a good one, "Observe 10th Wedding Anniversary." Mr. and Mrs. Charles Robert Imler of Dundee, Florida, celebrated their 10th wedding anniversary by taking their 13 children; 3 sets of triplets and 2 pair of twins, to a county fair where they won a prize on the largest and healthiest family. When Mr. Imler was asked how he cared for such a large family he explained that he was a salesman selling interchangeable parts of baby carriages. Mrs. Imler is the former Miss Helen Campbell of Waterloo.

"Former Grand Opera Singer off to Europe." Miss Dorothy Hubbard of New York, formerly of Waterloo, is off to Europe for an operation on her throat. Several years ago Miss Hubbard injured her throat while singing for the Crown Prince of Italy. Miss Hubbard hopes to stage a comeback in opera. Miss Helen Bolinger, her constant companion and nurse, is making the trip with Miss Hubbard.

"Meeting of Women's Club." The Women's Club of Waterloo was entertained by Miss Ruth Philippine Buss, that famous violinist. The entertainment turned out to be howling—by the hostess's dog, who didn't like the music.

"His Third Year Begins." Dr. John Maurice Centa begins his third year as President of Indiana University. Under Dr. Centa's leadership Indiana University has seen great growth and service. I understand that John is still a bachelor and is still hoping for his old sweetheart, the famous violinist, to come back to him, although he is too dignified to admit it.

"Dr. L. B. Oster Shifted." Dr. Oster who has been the Corunna doctor for four years has been shifted to the Sedan health station. Another bachelor who is waiting for an old sweetheart, the famous aviatrix.

"Plane Crashes in Street." Shoppers in Lamarm, Missouri, received the shock of their lives when a plane fell into the town square. Pilots Violet Lucile Frick and Esther DeLight Holman escaped uninjured. Miss Frick and Miss Holman held the record for women's endurance flights. They also have the distinction of being the first women to fly to the moon. Lady luck has certainly kept close company with these two girls.

Here's something we all expected. "Flirting With Death." Robert Rohm, Indiana racing king, dared death today in his latest racer in an attempt to beat his own record of 770 M.P.H. (And he is still flirting.)

"Coach Has High Hopes for His Basketball Quintet." Coach Vic Dunn has high hopes for his basketball team. The team was not hurt by graduation because none of them were intelligent enough to graduate. Coach Dunn feels that they can easily win one of the thirty games they play, if they work hard.

"DeKalb County Farmer Honored." Kenneth Sebert, DeKalb County farmer, was honored at the last meeting of the Bachelor and Old Maid Club held at Auburn last week. Mr. Sebert was voted the most eligible bachelor in DeKalb County.

"Expelled by Secret Police." Miss Betty P. Mayne, who writes under the name of Dot Thompson, was told by Secret Police in Berlin that she must leave Germany because of the articles written by her and published in the United States about the president of Germany. Who would imagine that Betty, always so quiet and dignified would ever bring herself to write against so important a person.

"Political Meeting Set." A Non-work Party meeting will be held Tuesday night at the Town Hall. Mr. Elmer Joseph Beaubien, president of the organization will be

## THE ROSEBUD

in charge. I remember that he was a democrat back in '35!

"Accident?" Into the United States Senate Chamber walked Indiana's Elmer Shuman with a black eye and Pennsylvania's Senator with a bandaged hand. Senator Shuman said he got his black eye in an auto accident. The senator from Pennsylvania said his hand was afflicted with "athlete's foot." Just like Elmer to get in such an accident.

Here is some interesting news. "Famous Dancers Begin Picture." Carma Roberts and Donald Kaiser, professional dance team begin the production of a picture in Hollywood. The dance team made their debut several years ago but have never had the opportunity to appear in pictures.

"'Snuzzle' is Sued." In the midst of his act in a Fort Wayne theatre, Comedian "Snuzzle" Haines bounced off the stage and landed in the lap of Miss Mildred Johnson who owns the large millinery establishment on Calhoun street. According to Miss Johnson he put his arms around her neck and kissed her in a very wet manner. The next day, Miss Johnson sued "Snuzzle" for \$25,000 damages. "Snuzzle" explained it as "It must have been love." (Poor way to propose, Ed, old boy!)

"Teachers Appointed for Coming Year." Miss Phyllis Deetz was appointed as girls' basketball coach and Physical Education teacher. Miss Beatrice Mae Bevier was appointed as Music and Art teacher. Miss Garicle Mae Miser will be the next kindergarten teacher. The kindergarten class now has 33 pupils which is larger than ever before. Who would ever imagine that these fun-loving girls would be school teachers.

Here is some interesting news for the farmers. "County Crop Damage High." Considerable loss is the rating given by Agricultural Statistician in the survey of the melon fields here. This report was made by Arthur Luttmann, agricultural statistician for the United States Department of Agriculture. (Art must have changed his ways since he was a freshman at W. H. S.)

"Gets National Husband Trophy." Richard Wolford of Chicago formerly of Waterloo, was awarded third place for Event in the National Model Husband Contest held at Indianapolis. Edythe Dangler Wolford, his wife, recommended him for the Contest.

"Unusual Ant Hill." Lynn Wesley Dunn, a student of Zoology, discovered an unusual ant hill in the village of Sedan where he lives. Dunn had several fine species of ants in his laboratory and a few escaped and went to his bed to live. Mr. Dunn's wife, the former Marie Elizabeth Bowman, says she wishes Lynn would take up something sensible such as the large and productive herd of dairy goats the man she should have married has. (The man in this case is Robert Thomson.)

"Milk Inspected." Dairies qualify for grade F milk for the year ending December 31, 1950. Estell White, City Milk Inspector.

"Sailing for Gay Paree!" Miss Olevia Lucille Metzger who painting "Sunset" was given first place in the exhibit at Field's Art Museum in Chicago, will sail on the La France from New York harbor June 1. She is to spend one year in Paris studying. Miss Aneta Mae Antrup, her companion on the voyage, will remain four months to purchase a trousseau.

I wonder what the classified ads have to say.

"Humane Calendar." An interesting and attractive humane calendar for 1951 has been brought out by Wayne Yarlot in behalf of kindness and humanity to animals. It sells for \$2.75 postpaid.

"Do you want to be made beautiful? I will try anything once." Make your appointment at the Modern Beauty Salon, the beautiful shop to beautify women, at 242 Park Avenue, Waterloo, Indiana, Proprietor, Miss Eleanora Nevada Smith.

"Does your home need redecorating? Are you ashamed of the poor color scheme and funny looking furniture?" For inexpensive redecorating call Miss Dessie Hancock A-13.

This was one of the most interesting newspapers I have read in a long time because all of those happened to be graduates of '35.

## JUNIOR CLASS HISTORY

On September the seventh, nineteen hundred and thirty-four, the last year's Sophomores entered the school house as Jolly Juniors. Our number was small but we were willing to cooperate and work hard for the success of our class.

We were unfortunate in having our class rings stolen in the past year. We have redeemed ourselves, however, by making a success of our Junior Class play.

We are very proud of the basketball spirit that has been shown by both boys and girls. In our interclass tourney the boys went to the finals almost defeating the seniors. The girls defeated the Freshmen in the finals and proved themselves the victors of this year's tourney.

We hope the Seniors appreciate the Junior and Senior Banquet as much as we will in giving it.

We also hope to keep up the high standard of our high school next year as others have in the past.

We have had three class parties this year, all of which were very successful.

Miss Fisher was appointed our class sponsor this year, and to her we owe much credit for our successful Sophomore year.

The big events of the year, were of course, our annual basketball games. We maintained our previous records by winning these games by a large margin.

Our hopes are that next year the Ciceronians will start the term with a "bang" and come through again with flying colors.

The Zedas gave the second of the society programs presented this year. It went over well because of the loyalty and willingness on the part of the members in cooperating with our sponsor, Miss Corn. Although new in the school and for the first time captain of our good ship "Zeda," she upheld our standards.

Although defeated in basketball by our opponents, the Cicies, we wish success to our members in the coming year that they may win where we have failed.

Last fall at the beginning of our school year, the Girl Reserves had 23 members. During the school year we gained 8 members making a total of 31 members.

The activities of the Girl Reserves were few but interesting. In the latter part of October, the Girl Reserves had the pleasure of attending the Annual District Conference at Garrett. There were delegates from Angola, Kendallville, Butler, and Waterloo, but our G. R's had the pleasure of winning the cup for having the largest percent of members attending.

During February we had a Washington Tea Party to which we invited our mothers and lady teachers.

Then in April, we had our annual Mother and Daughter Banquet which was well attended.

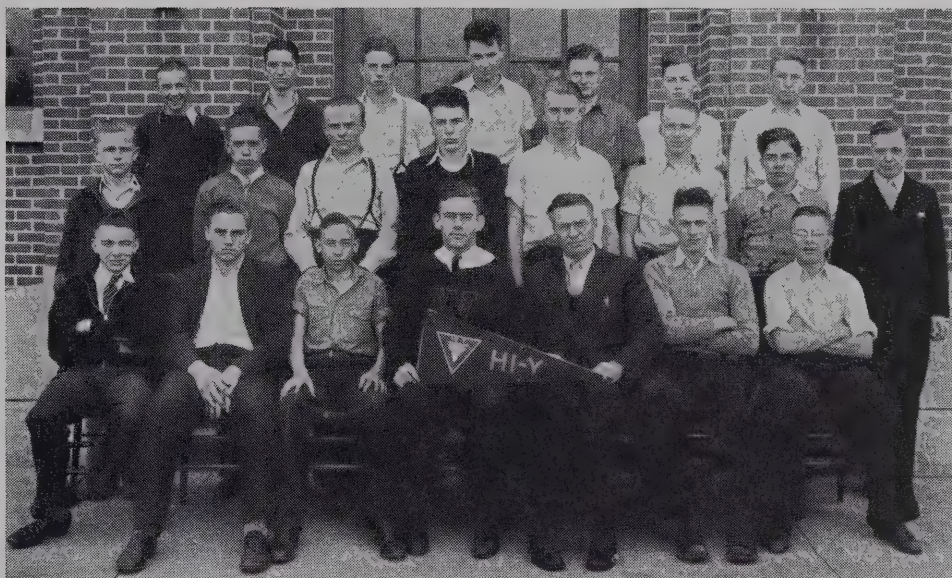

During this year, we have had the pleasure of having Miss Bachtel for our sponsor. She was always willing to help and advise us in any way.

Five years ago the Waterloo H. S. Band was organized under the leadership of Mrs. Stage. Each year we have had an increase in membership until we now have fifty members. Due to this increase it became necessary to purchase several new uniforms this year. At the beginning of the year the band was organized and the following officers were elected: John Centa, President; Beatrice Bevier, Vice President; Dorothy Hubbard, Secretary; Philipine Buss, Treasurer.

Last year in April, the band attended the district contest held in Huntington. We were graded in the second division. We also had two soloists who were placed in the first division and therefore were sent to the state contest held in Crawfordsville in May. They were Donald Bevier, cornet, and John Centa, piano. Both were placed in second division at Crawfordsville.

We are very proud of our record and owe much of our success to our most able leader Mrs. Stage whose untiring efforts have made possible this record.

We are also greatly indebted to the Waterloo Band Auxiliary for their assistance. Through their efforts, the band has bought an oboe, bass viol and several new uniforms.

## BOYS' BASKETBALL

First Row—Wayne Eddington, Jack Horn.  
Second Row—Richard Harpster, Bud Dunn, Don Kaiser, Robert Rohm.  
Third Row—Elmer Beaubien, Mgr., Don Turner, Victor Dunn, John Centa, Earl Kline, R. W. Warring, coach.

## BOYS' BASKETBALL

R. W. Warring (Bob) Our Coach

Mr. Warring has coached in Waterloo High School for three years. Bob's aim for athletics is clean living, clean playing, good sportsmanship, and better basketball.

As a result of this he has built up one of the best schedules the Waterloo High School ever had, and we are now playing in the State Corner Conference, in both basketball and track. We owe much to Bob as a friend and a coach and hope that he will be back with W. H. S. next year.

In a meeting held at Garrett March 11, 1935, with several schools of Steuben DeKalb, LaGrange, and Noble counties; there was organized the "State Corner Conference" to promote good will, good sportsmanship, to encourage better officiating and to better advertise athletic contests conducted between the various schools.

The schools entered in this conference are: Garrett, Angola, LaGrange, Albion, Avilla, Ashley, Butler and Waterloo. Athletics will include both basketball and track and a separate trophy given for each sport.

We are very proud that these various schools consider us worthy to fulfill their purpose in athletics and be accepted as a member of the conference. We expect to bring some of these trophies to W. H. S.

### BOYS BASKETBALL

John Centa, our center this year. John has been one of our most valuable men, for, besides getting the tip-off in most every game, he showed plenty of pep and fought to the end. We are sorry this is John's last year.

Vic Dunn, another senior, played forward this year. Vic was dependable and always fighting for the team. Vic's place as forward will be hard to fill and his loss will be greatly felt.

Don Kaiser, another senior played guard this year. Don was one of the fastest men on the squad. He was the main cog in our offense. Kize was one of the best men we had on long shots. This is his last year.

Robert Rohm, senior. Our smallest player but yet one of our best ball handlers. Bob played guard and has been on the varsity two years.

Bud Dunn, a junior, played forward this year. This is Bud's second year on the varsity and he will be a valuable man to next year's team. Bud is one of the best shots using either right or left hand.

Dick Harpster, a junior, played forward this year. This is Dick's second year on the varsity. Dick had a good eye for long shots and was always fighting. Dick has one more year on the varsity.

Don Turner, a sophomore, played forward this year. This is Don's first year on the varsity, but he showed himself a fighter. Don was good on offense. He has two more years for the W. H. S.

Bud Kline, a sophomore, played forward this year. This is Bud's first year on the varsity. Bud is tall and is always there to take them off the backboard. Bud has two more years to play for the W. H. S.

Jack Horn, a sophomore, played forward this year. This is Jack's first year on the varsity. Jack is fast and very good on defense. Jack has two more years.

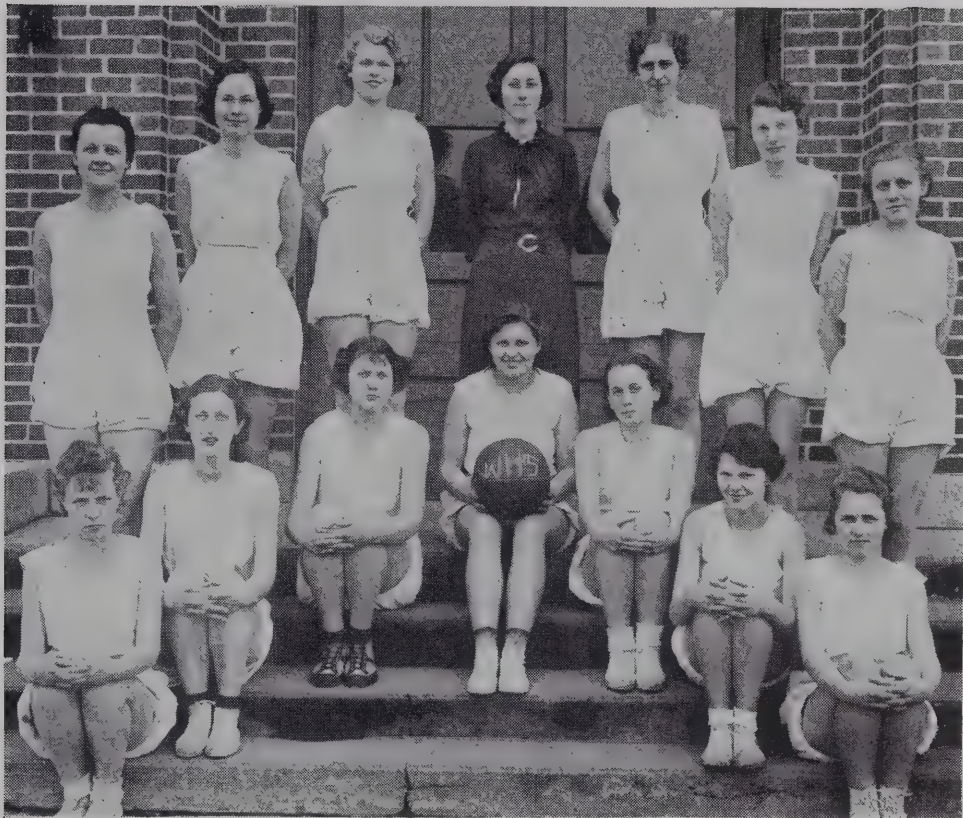

Wayne Eddington, our only freshman boy to make the varsity this year. Eddy is a good offense man. He played a good brand of basketball all season. Eddy has three years for the W. H. S.

Elmer Beaubien, our manager, was one of the most valuable managers the school has had. Elmer has held the respect of the players and was a leader of the boys and always dependable.

Ed Haines, our yell leader came here from Riley High of South Bend. Although this was his first year at leading yells, we know that he was very successful. We wish to congratulate Ed, the faculty, and the students for the fine spirit shown this year and may it continue.

GIRLS' BASKETBALL

Seated—Carma Roberts, forward; Marcile Kline, center; Pauline Wing, captain, guard; Raeburn McIntosh, forward; Margaret Fee, forward; Roberta Roberts, side center.

Standing—Phyllis Deetz, guard; Dorothy Hubbard, guard; Marjorie Cherry, guard; Coach Mildred Corn; Elizabeth Smith, forward; Martha Bolinger, guard; Dorothy McBride, side center.

## GIRLS' BASKETBALL

Coach Corn—We have been very lucky to have a coach like her this year. Her untiring efforts and her hearty cooperation made it a pleasure to work with her. Her chief objective has always been clean sportsmanship.

Pauline Wing—Captain—Pauline has played four years on the varsity. She always played a good game at guard although a tall forward proved to be an obstacle to one of her stature.

Dorothy Hubbard—Senior—She has played B. B. only this year but what she lacked in experience she made up in willingness to work. She played either guard or center.

Carma Roberts—Senior—Carma's outstanding record for her unintercepted passes and long lazy appearing but accurate shots, placed her at forward this year. She has played three years on the varsity.

Phyllis Deetz—Senior—Phyllis played guard for four years. She was a hard fighter, in fact she fought so hard that quite frequently she left the game on fouls.

Dorothy McBride—Junior—Her fighting spirit and swiftness placed her at running center. She also played a good game at guard. This is her first year on the varsity.

Elizabeth Smith—Junior—"Lizzie's" overhand shots and excellent dribbling placed her on the varsity for her third year. She could always be depended on to do her part.

Raeburn McIntosh—Junior—She has an eye for the basket (?) and is famous for her dribbling. She has been on the varsity for two years.

Marjorie Cherry—Junior—Marjorie's grit and height made her one of our best guards. She fought hard and played the game with intent to win. She was always a good sport.

Marcile Kline—Junior—Marcile's swiftness and untiring ability placed her in the responsible position of center. She always was in there fighting for the team.

Margaret Fee—Sophomore—This is Fee's first year on the varsity; however her ability to lose her guard gave us many a badly needed point.

Roberta Roberts—Sophomore—This was "Bobbie's" first year on the varsity but she was a valuable player. She played either center or forward.

Martha Bolinger—Sophomore—Martha was shy and quiet at guard. But her ability to grasp the situation quickly gave her a record which is outstanding. This was her first year.

Maxine Hollinger—Freshman—Maxine was one of those many Freshmen. She played running center this year with great success.

## THE SENIOR CLASS PLAY

In May the Senior Class presented the play "Where's Grandma." A Comedy-drama in three acts. Grandma is a delightful old lady who first shows off in sophistication to impress her grandchildren. She wants their love desperately and her outlandish attempts to impress them by her youth and sophistication are wistful as well as funny. Gretchen is a splendid young woman of the day with an adoring husband. She has great ambitions for her brother and sister, Jack and Carol, and she almost ruins their happiness because of it. Lucy is an adorable heroine and Arline Truesdale a snippy, petulant, opinionated heiress. Midnight and Dahlia, the colored servants, are quite the funniest comedy pair imaginable. The play has a well-concealed moral and ends happy.

## THE JUNIOR CLASS PLAY

The Junior Class Play was given by a cast of four men and seven women. The play was modern and the costumes and the lighting effects added much to the presentation.

Miss Corn directed the play in a very proficient manner. Ward Castret, the stage manager, gave a great amount of his time preparing the stage and lights for the play. Without the help of these two, the play could not have been presented.

### SYNOPSIS

The synopsis of the play can be given most effectively by the character plot.

## VOCATIONAL AGRICULTURE

Two subjects are being taught in the vocational agriculture department this year. They are: Soils and Crops and Farm Management.

The Soils and Crops class studies the characteristics of different soils, and determines the kind of crop that grows best in each type of soil. The pupils carry projects which cover some phase of farming, and keep records of it during the summer.

The Farm Management class studies farm layouts, manages imaginary farms, and solves problems which occur every day in farming. These pupils also carry projects and extensive record keeping.

Soils and Crops and Farm Management are taught one year, and Farm Shop and Animal Husbandry are taught the next year.

## THE COMMERCIAL DEPARTMENT

The commercial department is divided into six groups, Shorthand, Typewriting, Bookkeeping, Salesmanship, Business Training and Commercial Law. All of these except the latter are under the supervision of Mr. Floyd Burchard. Commercial Law is taught by Mr. Robert Warring.

The shorthand class consists of 16 students who have learned to read, write and dictate shorthand at a high rate of speed. They also learned to transcribe shorthand on the typewriter.

Twenty-eight students, which is the largest class we have ever had, are enrolled in typewriting class. The typing students learned that only consistent practice and hard work make good typists.

There are 19 students in bookkeeping class who have learned the principles of bookkeeping and accounting and how to keep a set of books.

The 10 students who are enrolled in Business Training have made a general survey of the field of business. The 11 students in Salesmanship have learned about retailing, wholesale selling, etc.

The Commercial Law class besides studying the principles and rules in the text book went to Auburn and attended a jury trial.

## PARENT - TEACHERS ASSOCIATION

The P. T. A. has been very successful in their activities this year. The organization was able to meet every month except December. The success of the P. T. A. was due largely to the interest and the attendance of the patrons and students.

The officers of the P. T. A. this year were: President, Mrs. Lester Lowman; Vice President, Mr. Ezra Lollar; Secretary, Mrs. Harold Hoxie; Treasurer, Miss Helen Fisher.

Each month a special feature of the schools was emphasized. Mr. Smith was very kind in securing pictures of Purdue and showing them.

The Parent-Teachers Association has improved very much this year. This was due to the cooperation of the school and the homes. We are hoping that next year this organization will show as much improvement as it has this year.

## VOCATIONAL HOME ECONOMICS

The Vocational Home Economics Department experienced a very successful year during 1934-35. They had an enrollment of twenty girls in the advanced classes and sixteen girls in the Freshman class.

The Advanced girls have been studying the following subjects: Foods, Art Related to the Home, Home Nursing, Child Care, and Clothing. The Freshmen have been studying General Home Economics which includes a unit on Foods, Clothing, Social Relations, Family Relations, and Child Development.

The Advanced class enjoyed an educational trip to the State Institution for Feeble Minded Patients, Allen County Childrens Home, and the City Filtration Plant at Fort Wayne. From these trips a broader knowledge of Family Relations and Home Management was gained.

New materials have also been added this year and are as follows: Hot Water Canner, Can Opener, Screens for Windows and Doors, and about twenty New Books for our Library.

Marie Bowman, '35.

## JOKES

Mr. Lollar: Opal, who is your favorite author?

Opal Poorman: Father.

Lollar: What does he write?

Opal: Checks.

Helen Bolinger: Your hat is on the wrong way, dear.

Beatrice Bevier (Absent mindedly) How do you know which way I'm going?

Betty Mayne: "Imagine my embarrassment, when according to my custom, I looked under the bed before retiring. I had forgotten that I was in an upper berth.

Don Kaiser: "Say there's a football player out here who wants his picture taken."

Photographer: Full face?

Don Kaiser: No, half back.

Chester Steffen: No girl ever made a fool out of me.

Olevia Metzger: Who did then?

Philipine Buss: John put his arm around me five times last night.

Olevia: Some arm.

Dorothy Hubbard: (Tying her shoe-string) I guess I'll have to go barefooted. I have such a time with my shoes.

Spencer Bard: The board of health won't let you.

Warring: Going to class at 8:30?

Shuman: Nope. Got a conflict.

Warring: What conflict?

Shuman: Breakfast.

Mr. Smith: This is the third time you have been late. Don't you know you can't stop the flight of time?

Junior Freed: (Meekly) Oh, I don't know. I just stopped a couple of minutes down the street.

Overheard outside geometry class. Charles Imler proving a geometry proposition to Helen Campbell.

Proposition: If I love you, then you love me.

Given: I love you.

To prove: You love me.

Proof: All the world loves a lover. I'm the lover. You're all the world to me, so therefore you love me.

### Believe It or Not

Estell White works 26 hours every day. (He gets up 2 hours early every morning).

Smith: How long can an animal live without brains?

Lynn Dunn: I don't know. How old are you.

Mrs. Imler: Isn't it wonderful to have children in our old age to do so much for us?

Mr. Imler: How do you figure that?

Mrs. Imler: Well, our daughter gets home in time to bring in the milk, and the papers.

Coming home one Sunday afternoon with a string of fish, Roger Ish was suddenly confronted by the local minister. There was no way of escape, but Roger rose to the occasion.

Going up to the minister, he said: "Minister, do you see what the fish got for nabbin' worms on Sunday?"

Miss Corn: Marvel, use "notwithstanding" in a sentence.

Marvel: (a green little Freshman lass) My father wore his trousers out, but notwithstanding.

Aneta: What kind of a husband would you advise me to get?

Esther Holman: You get a single man and let the husbands alone.

## THE ROSEBUD

The butcher was rather surprised when a slim young woman (Pauline Wing) entered the shop and asked for twenty-five pounds of beef. All the same he cut off the joint and put it on the scales.

"Will you take it with you, or shall I send it to your house?" he asked.

"Oh," she murmured, blushing prettily, "I don't want to buy it. You see, the doctor said I had lost twenty-five pounds, and I wanted to see what it looked like in a lump."

Dorothy McBride: And another thing—women's minds are cleaner than men's.

Don Kaiser: Oh, yeah! Then it must be because they change so often.

Mrs. Luttman: Now, honeybunch, eat up your rice, like a good little boy.

Arthur Luttman: I don't like rice.

Mrs. L.: Well, just pretend to like it.

Arthur L.: No, I'll just pretend to eat it.

Leland Oster: I think Helen would make a good wife—she is so domestic. Every time I go to call on her I find her darning one of her father's socks.

Edward Haines: Yes, she nearly caught me on that trick too. If you look, you'll see that it's always the same sock.

Elmer Shuman: I couldn't call my Ford "Opportunity."

Robert Rohm: Why?

Elmer: Because Opportunity knocks but once.

Mr. Overmyer: Do you know why I have flunked you?

Richard Harpster: I have no idea.

Overmyer: That's why my boy.

Rachel Smith: I wonder what would make my bread raise?

Evelyn Hefty: Have you tried dynamite?

Mr. Smith: What's on your mind?

Bud Frick: Thoughts.

Mr. Smith: Treat them kindly, sir. They are in a strange place.

Garcile Miser: You men are all alike.

Edward Haines: Then what do you want two for?

Philipine Buss: No! I never kiss men.

John Centa: That's all right, I'm only a boy.

Mr. Smith: (In Physics class) If anything should go wrong in the experiment, we and the laboratory with us might be blown sky high. Come closer students, so you will be better able to follow me.

Mr. Overmyer: Name one of the greatest generals.

Park Sebert: General Holiday.

Miss Bachtel: (At chorus practice) You see those marks? Well they mean rest.

Bud Dunn: Why the deuce do we have to rest? Let's get it over with.

Mr. Overmyer: Where was the Magna Charta signed?

Elois Holmes: At the bottom.

"Engaged to four girls at once," exclaimed his horrified father. "How can you explain such shameless conduct?"

Don Turner: I guess Cupid must have shot me with a machine gun.

Arthur Kameron: Do you think you can manage on my salary of twenty dollars a week, Aneta Darling?

Aneta Antrup: I think I can, but what will you do?

Conductor: Your fare Miss.

Esther Holman: Oh, really, do you think so?

Can you imagine this ???? Mr. Burchard catching water in a glass at the drinking fountain.

## THE ROSEBUD

Caller: And how is your dear little boy Donald? I remember he used to be so fond of apples.

Mrs. Kaiser: Yes, he was; but lately he seems to be much more interested in peaches and dates.

Piano Tuner: I'm the piano tuner that was sent for.

John Centa: I didn't send for any piano tuner.

Piano Tuner: I know it, but the neighbors did.

Bob Thomson: I said no. Didn't you see me shake my head?

Phyllis Deetz: I thought I heard something rattle.

Charles Imler: Your father must have been a great athlete.

Lynn Dunn: Why do you think so?

Charles I.: He raised such a big dumb-bell.

Mr. Smith: You shouldn't laugh out loud in school.

Margaret Holman: I wasn't laughing. I was only smiling, when all of a sudden the smile busted.

This was Dwight's answer when asked why he had red hair: "Well, you see, I stayed out doors one night and dew fell on it and the next morning when the sun shone on it, it rusted."

Mrs. Hefty: So you have been in the jam again, son?

Ralph: (a little Freshman) The cupboard came open itself, mother and I thought—

Mrs. H.: Why didn't you say, "Get thee behind me Statan?"

Ralph H.: So I did, mother; and he went and pushed me right in.

Carma Roberts: How long can a goose stand on one foot?

Roberta: (her sister) "Try it and see."

Mr. Lollar: (In English class) Why did Burns end the poem this way: "And I will come again, my love, tho' it were ten thousand miles."?

Bob Thomson: "He began to think of the carfare, so he quit."

Miss Corn: (English one) Loren, what is your sentence, simple, complex or compound?"

Loren Dunn: "I can't figure out anything only three independent sentences, so it must be triplets."

The Freshmen Home Ec. Class made some Liberty doughnuts the other day. They must be sympathizing with the soldiers, for they made "bullets."

### The Misplaced Eyebrow

Lynn Dunn: What do you think of my mustache?

Evelyn Hefty: I'm against it.

### You Tell 'Em

Neighbor: I understand that your son has gotten his Z.A. and M.A. at college.

Mr. Warring: Yes, but it's still his PA that supports him.

Mr. Overmyer: (absentmindedly) Who was president before Grant's second term?

Elizabeth Smith: Missouri is larger than any state east of the Mississippi river.

Olevia Metzger: (in one of her day dreams) It is not, Texas is larger than Missouri.

Mr. Lollar: (in English eleven) Marjorie, what is a paradox?

Marjorie Cherry: Two doctors, of course.

Doctor: How did that tonic work?

Estell White: It's no good for me, so I didn't take any. All the directions it gives are for adults and I never had them.
